SUBJECT        Jack Anderson Fans in the Kremlin

JACK ANDERSON: Well, I'm embarrassed to say it, but apparently I've got some fans inside the Kremlin.

Last month I reported that the CIA is trying to regain control of Radio Liberty and Radio Free Europe to their anti-Soviet propaganda campaign.

Now a Tass news analyst -- and Tass, you should know, is the Russian news service -- has called my report, and I'm quoting, "a remarkable piece of news." The story caused more excitement in Russia than here in the United States.
